

Peck Memorial Library

Community Report 2023

Mission

Peck Memorial Library opens its doors to the community to create open access to information, open spaces for creative exploration, and open minds to explore possibilities. The library joins with residents of the Marathon School District to make our community a strong, vibrant, inclusive place to live, work and grow. At Peck Memorial Library, we aspire to offer material, programs, and services that promote a love of reading, a joy of learning, and a place where people come together to share discovery, imagination, knowledge, and creativity.
